

My name is vaishnavi.

I belong to a small village devgaon situated in Amravati district. There is a person whom I can call my ideal And he is father. He has always told me to respect each and everyone .I'm here because he never gave up on me. He is my support system.

Currently , I did my bachelor of engineering from Government College of engineering yavatmal. I've passed my 12th from S.F.L. junior College Dhamangaon rly. My hobbies are Travelling and reading books .

I 'm freshers ,My strength is I 'm a quick learner, self-motivated and hardworking person.

My technical skills are java, Html ,css,JS, Manual Testing ,java advance.

My short term goal is to get a job in reputed company and my long term goal is to achieve good position where I can build my career.

My aim is to become a good developer but before that, I just wanna be a good human being .

Apart from me, there are four members in my family ,my elder brother,mother, father.
